

# SecondLook Format Survey CDB450/550 2018

Q21 Dear CDB450/550 Class, Answering this survey is completely voluntary and has no influence on your grade or performance in the course. It should not take more than 10 to 15 minutes to complete this survey. The personal identifier will be removed after any duplicate entries have been eliminated and the raffle winners have been contacted. Only aggregated data and anonymized quotes will be used for the analysis and a possible publication in an academic journal. Thank you for your help and support Dr. Michael Hortsch and Dr. Lauren Rodenbarger

If you encounter any problems connecting to this survey or filling out and submitting your answers, please contact me by email. This project was approved and received an IRB exempt status by the University of Michigan IRBMED under HUM00127275.
